

CURRICULUM VITAE OF PROF. RAJ BAHADUR

NAME : RAJ BAHADUR

DATE OF BIRTH : JUNE 5TH, 1951

NATIONALITY : INDIAN

Passport No : G-1749463

PRESENT ADDRESS

Office : **Vice Chancellor
Baba Farid University of Health Science
Faridkot**

Residence : H.No.5526, Sector 38-west,
Chandigarh- 160 023.

ACADEMIC QUALIFICATIONS

GRADUATION

B.Sc. 1970 PANJAB UNIVERSITY 3rd Position in University.

M.B.B.S. 1974 HIMACHAL PRADESH UNIVERSITY, SHIMLA. 2nd Position in Physiology in University.

1st Position in Surgery in University.

3rd Position in Final MBBS in University.

POST-GRADUATION

M.S. (Orth) 1979 BANARAS HINDU UNIVERSITY. 1ST Attempt.

M.N.A.M.S.(I) 1980 NATIONAL BOARD OF EXAMINATION. 1st Attempt

F.I.C.A. 1981 INTERNATIONAL COLLEGE ANGIOLOGY (USA).

M.N.A.M.S.	1997	NATIONAL ACADEMY OF MEDICAL SCIENCES.
F.I.M.S.A.	1998	INTERNATIONAL MEDICAL SCIENCE ACADEMY.
F.A.O.I.	1999	ST. JAMES UNIVERSITY HOSPITAL LEEDS, UK UNDER AO INTERNATIONAL, DAVOS (SWITZERLAND).
F.A.M.S.	2005	NATIONAL ACADEMY OF MEDICAL SCIENCES.
F I H E	2006	NATIONAL INSTITUTE OF HOSPITAL ENGINEER
F R C S	2009	GLASGOW, U K
F P A Sc	2010	Academy of Sciences (Punjab)

FIELD OF SPECIALIZATION

GENERAL ORTHOPAEDIC SURGERY, ORTHOPAEDIC EDUCATION, SPINAL SURGERY, JOINT REPLACEMENT.

EXPERIENCE

Before Postgraduation:

1. House Surgeon (Surgery) HP Medical College & Snowdon Hospital, Shimla. 01.01.1976 to 30.06.1976
2. House Surgeon (Orthopaedics), H.P. Medical College & Snowdon Hospital, Shimla. 01.07.1976 to 31.12.1976
3. Junior Resident-cum-Clinical Registrar, Institute of Medical Sciences, B.H.U., Varanasi. 01.01.1977 to 28.02.1979

After Postgraduation:

1. Orthopaedic Surgeon, Distt. Hospital, Kullu (H.P.) 01.03.1979 to 08.07.1979

- | | | |
|-----|---|---------------------------------|
| 2. | Registrar in Orthopaedics,
Medical College & Hospital, Rohtak. | 09.07.1979 to 02.11.1979 |
| 3. | Senior Resident in Orthopaedics,
Postgraduate Institute of Medical
Education & Research, Chandigarh. | 03.11.1979 to 31.12.1982 |
| 4. | Registrar in Orthopaedics,
H.P. Medical College &
Snowdon Hospital, Shimla. | 01.01.1983 to 24.07.1984 |
| 5. | Assistant Professor in Orthopaedics,
Jawaharlal Institute of Postgraduate Medical
Education & Research, Pondichery. | 27.07.1984 to 23.08.1987 |
| 6. | Associate Professor in Orthopaedics,
Jawaharlal Institute of Postgraduate Medical
Education & Research, Pondichery. | 24.08.1987 to 23.11.1987 |
| 7. | Associate Professor in Orthopaedics,
Central Institute of Orthopaedics,
Safdarjang Hospital, New Delhi. | 24.11.1987 to 26.07.1992 |
| 8. | Professor in Orthopaedics & Head of Unit,
Central Institute of Orthopaedics,
Safdarjang Hospital, New Delhi. | 27.07.1992 to 05.10.1994 |
| 9. | Professor in Orthopaedics & Head of Unit,
Maulana Azad Medical College &
L.N. Hospital, New Delhi. | 06.10.1994 to 18.12.1995 |
| 10. | Professor & Head of Orthopaedics,
Govt. Medical College & Hospital,
Chandigarh. | 19.12.1995 to 22.1.2006 |
| 11. | Medical Superintendent cum Professor
Hospital Administration | Dec. 2000 to April 2004 |
| 12. | Project Director, RSIC, Mohali | 2000 to continue |
| 13. | Professor of Orthopaedics & Head of Unit,
PGIMER, Chandigarh. | 23.1.2006 to 30.11.2007 |
| 14. | Director Principal, GMCH, Chandigarh | 01.12.2007 to 23.04.2013 |
| 15. | Professor & Head, Deptt. Of Orthopaedics
PGIMER, Chandigarh | 23.04.2013 to Dec 2014 |

16. Vice Chancellor,
Baba Farid University of Health Science,
Faridkot

Dec. 2014 to continue

TEACHING : 39 years – from (1) to (16)

RESEARCH : 39 years – from (1) to (16)

ADMINISTRATION

Over 27 years & 3 months – from (6) to (15) above served/serving on various committees of Safdarjang Hospital and Maulana Azad Medical College, New Delhi, Govt. Medical College and Hospital, Chandigarh, RSIC, Mohali and PGIMER, Chandigarh.

Medical Superintendent – Government Medical College & Hospital, Chandigarh; 11.12.2000 – 30.4.2004.

I was responsible for supervising of day to day functioning of this state of the art hospital which is a role model for MCI to guide other hospital to emulate. As a Medical Superintendent, I was involved in selections of Group C and D employee in the hospital, maintenance of their service record and associated issues pertaining to their annual increments and establishment. I played an active role in the construction and planning of the hospital during these three and a half years when the main hospital block got completed and commissioned adding 300 beds.

Besides this, 14 operation theatres – 7 fully equipped world class operation theatres were made operational. Cobalt unit, linear accelerator, dialysis unit and a large number of other facilities were added to further strengthen the services available.

In view of the financial constraints we started a process of involving the private sector in providing diagnostic facilities at GMCH. Installment of latest CT scanning machine at this hospital under this scheme is one of my biggest contributions towards improving diagnostic facilities.

Establishment of a biomedical waste management system including a recycling project to recycle organic waste called “Waste to Wealth- Eco Innovative Project” which meets all the statutory requirements is one of the many projects which were started and completed in my tenure.

Project Director at Regional Spinal Injuries Centre, Mohali since 2000 to continue. Running this institute from its inception and it is coming up as an exclusive Centre for spinal ailments.

Additional Medical Superintendent, PGIMER, Chandigarh- 23.1.2006 to 30.11.2007 organizing the non-plan Budget, Poor Patient Fund and Private Grants.

Director-Principal at Govt. Medical College & Hospital, Chandigarh from 1.12.2007 to 23.04.2013. Contributed in the overall development of the Institute in term of the

Infrastructure, Undergraduate and Post graduate Education and Research and came within 20 colleges of the country.

Professor & Head in Department of Orthopaedics, PGIMER, Chandigarh from 23.04.2013 to Dec., 2014.

Regional Spinal Injuries Centre, Mohali, the Project of Govt. of India and Govt. of Punjab, which was sanctioned in 2000 is being nurtured by Prof. Raj Bahadur since its inception, Among the four such centres sanctioned by Govt. of India, this is main one in the Northern part of the country which has created niche for itself. It is catering to the patients of Jammu Kashmir, Punjab, Haryana, Himachal Pradesh, Uttar Pradesh & Rajasthan. The patients of Spinal Injuries and Spinal Ailments are treated here. It has a robust Physiotherapy Unit for rehabilitation of spinal injury victims and other orthopedic ailments. Lacs of patients have been provided the medical and surgical care and by now, more than 1000 major Spinal Surgeries of Spinal Cord and Spinal Ailments have been done. Outpatient Clinic is seen to be believed, where Prof. Raj Bahadur examines more than 250 patients on Saturday including operating two major Spinal Surgeries. This clinic runs from 8:00 a.m. till midnight every week. On Sunday again, the surgeries are done from 9:00 am to 5:00 p.m. It is becoming self sufficient with the meager charges i.e. Rs.25000/- for Surgery, Medicine, Stay in Hospital for 15 days, where the standard of Hospital is like a Corporate Hospital.

This activity to work even on weekends, when most of the people enjoy is persistent protocol of Prof. Raj Bahadur. He is serving at this place honorary since 2000. He has not availed any leave since 1995.

Vice Chancellor, Baba Farid University of Health Science since December 2014 to continue

- **The first and foremost activity for this University is to frame its own Rules & Regulations, which were pending since its inception i.e. year 1998.**
- **The resources of the University, which were absolutely choked could be revived only by pleading the Govt. to release funds, which has happened after many years of inception.**
- **Great thrust has been put to improve the Examination System, as earlier, the University used to mere compile the results, rather than conducting the**

examinations. Several reforms in the examination system have been designed, which has started producing its results and from January, 2016, the University envisaged to have digital transfer and digital evaluations of the question papers, which shall result into absolute unbiased, transparent pattern of examination and its evaluation.

- **The concept of Bio-Ethics is being introduced by having a MoU with UNESCO Chair and such activities shall place the University at a higher level.**

AT PGIMER

1. Member, Lower Purchase Committee
2. Member, Standing Purchase Committee (special invitee)
3. Member, Drug Committee
4. Chairman, Promotion policy Panjab University
5. Chairman, Modernizations of Nehru Hospital
6. Member, Steering committee
7. Member, Academic council of Baba Farid University, Faridkot
8. Member, Hospital Management Board
9. Co- Chairman, Core Group to identify prioritize areas for research on disability
10. Chairman, Annual Performance Assessment Report (APAR)
11. Member, Streamline the working of Operation Theatres in Nehru Hospital Emergency and Advanced Trauma Centre
12. Member, Deliberate on the issue:
Ex-Post facto approval to deploy staff on contract through service to 97 posts and Approval to enhance minimum manpower by 448 workers required for sanitation work.
13. Member, Operation Theatre Management Committee.

AT UNIVERSITY LEVEL

1. Board of Studies, Faculty of Medicine, HP University.
2. Nominated Member, Board of Studies in Postgraduate Medical Education & Research by Vice Chancellor, Punjab University, Chandigarh.
3. Board of Studies, Faculty of Medicine, PU, Chandigarh.
4. Nominated by H.E., the Governor-Chancellor of Pt. Bhawat Dayal Sharma University of Health Sciences as his nominee on the Selection Committee for teaching posts in the subject of Orthopaedics.
5. Nominated as Member of the Board of Post Graduate Studies in Medical Education & Research for the term 01.04.2009 to 31.03.2011.

6. Member Senate, Panjab University.
7. Member Syndicate, Panjab University.
8. Dean Faculty of Medical Sciences, Panjab University, Chandigarh
9. Member of the Selection Committee of Panjab University, Pandit Bhagwat Dayal University, University of Health Sciences.
10. Member of the Academic Council, Baba Farid University, Faridkot

AT STATE LEVEL

1. Member Advisory Board for Disability Prevention & Rehabilitation, Chandigarh Administration.
2. Nodal Officer, State-cum-District Resource Centre, Chandigarh Administration.
3. Member Secretary, State Implementation Committee, UT, Chandigarh for conducting workshops for PHCs doctors of UT, Chandigarh in disability prevention and rehabilitation funded by Rehabilitation Council of India, Ministry of Social Justice & Empowerment, Govt. of India.
4. Member of the First ever Health commission of Govt. of Himachal Pradesh.

AT REGIONAL LEVEL

1. Nodal Officer, WHO funded workshops (Ministry of Health & Family Welfare, Govt. of India) for Punjab, HP and UT, Chandigarh.
2. Project Director, Regional Spinal Injury Centre, Mohali.
3. Appointed as Member of Board of Governors for Regional Spinal Injury Centre, Mohali by Punjab Govt.
4. Appointed as Member of State Advisory Council of Himachal Pradesh by Govt. of Himachal Pradesh.
5. Member, for reviewing of health care services delivery in Himachal Pradesh.

AT NATIONAL LEVEL

1. Member of WHO Expert Group to develop the curriculum for Orientation Training for Master Trainers, Trainers, PHC doctors and multipurpose health worker for disability prevention and rehabilitation.
2. Member, MPMCMG of National Disaster Management Authority (NDMA), Govt. of India.
3. Member of Steering Technical Committee for Trauma Care & Injury Surveillance, Ministry of Health & Family Welfare, Govt of India New Delhi.
4. Member Academic Council, Baba Farid University of Health Sciences, Faridkot.

5. Member, Ethics Committee for Indian Institute of Science Education and Research (IISER), Mohali.
6. Member, Core Advisory Group, Indian Council of Medical Research, (Department of Health Research), Ministry of Health & Family Welfare, Govt. of India, New Delhi to develop disaster management in curriculum in medical education.
7. Vice Chairman, committee on Research on Disability at ICMR
8. Member, to develop Bio medical research lab in various medical college at ICMR.

**INSPECTOR FOR NATIONAL BOARD OF EXAMINATION
(Ministry of Health – GOI)**

1. Appointed Inspector by National Board of Examinations to inspect department of Orthopaedics of the Sundram Medical Foundation, Chennai for renewal of accreditation to the Board.
2. Appointed Inspector by National Board of Examinations to inspect department of Orthopaedics of the Harkrishan Das Nurrotamdas Hospital, Bombay for renewal of accreditation to the Board.
3. Appointed Inspector by National Board of Examinations to inspect department of Orthopaedics of the Durgabai Deshmukh Hospital & Research Centre, Andhra Mahila Sabha, Hyderabad for renewal of accreditation of the Department for training of DNB candidates.
4. Appointed Inspector by National Board of Examinations to inspect department of Orthopaedics of the Manipal Hospital, Bangalore for renewal of accreditation of the department for training of DNB candidates.
5. Appointed Inspector by National Board of Examinations to inspect department of Orthopaedics of the Indian Spinal Injuries Centre, New Delhi for starting training of DNB candidates.
6. Appointed Inspector by National Board of Examinations to inspect department of Orthopaedics of the Indian Spinal Injuries Centre, New Delhi for renewal of accreditation of their department-2009
7. Appointed Inspector by National Board of Examinations to inspect department of Orthopaedics of the Sant Parmanand Hospital, New Delhi for renewal of accreditation of their department-2009

NATIONAL BOARD OF EXAMINATION

1. Inspector to recognize institution for post graduate course in Orthopaedics.
2. Examiner in Orthopaedics
3. Convener to conduct Orthopaedics examination since 2007 at GMCH and PGIMER.
4. Member of Medical Council of India
5. Chairman, Monitoring Cell, Medical Council of India for Undergraduate & Postgraduate admissions throughout the country.

MEDICAL COUNCIL OF INDIA

- 1. Member of Statutory Central Council i.e. Medical Council of India**
- 2. Member of the Institute Body of All India Institute of Medical Sciences, New Delhi.**
3. Assessor for inspecting the Post Graduate Courses in Orthopaedics
4. Member of the committee constituted for developing curriculum for Undergraduate and Postgraduate in Orthopaedics.
5. Nominee of His Excellency, Governor of Haryana to select Vice Chancellor of Pandit Bhagwat Dayal University of Health Sciences, Rohtak.

ICMR

1. Co Chairman to identify the research in disability.
2. Member to develop curriculum for National Institute of Hospital engineers.
3. Expert member to evaluate candidate for ICMR awards.
4. Member to identify medical colleges to develop Bio-medical research labs with the support of ICMR.

2. Silver Medal for standing second in Physiology in HP University.
3. Gold Medal for standing first in Surgery in HP University.
4. Bronze Medal for standing third in MBBS-Final examination in HP University.

AT POST GRADUATION LEVEL

1. Johnson & Johnson Traveling Fellowship of Indian Orthopaedic Association-1987.
2. Best paper award in North Zone IOACON, Jammu 1989.
3. Bio-data indexed in "REFERENCE ASIA' WHO'S WHO Men & Women of Achievements – 1990.
4. The British council Fellowship for training in Joint Replacement at the Department of Orthopaedics Surgery, The Queen's University of Belfast, Musgrave Park Hospital, Belfast (UK) under Technical Cooperation and Training Programme-1993.
5. Nominated by Govt. of India to attend Surgical Seminar on use of Artificial tendons in ACL and Tendo Achilles Injuries being organized by French Surgeons at Colombo- 1994.

OTHER ACADEMIC ACHIEVEMENTS

1. Visiting Professor to National University of Singapore (May-June 1997).
2. Visiting Professor to University of Natal (Durban and University of Johannesburg), South Africa.
3. Successfully completed the certificate course on Hospital Administration for Senior Health Administrator at National Institute of Health & Family (Ministry of Health & Family Welfare, Govt. of India) New Delhi from 10-28 Nov. 1997.
4. Visiting Professor to the Department of Orthopaedic Surgery of the Westfaelian Wilhelms- University Hospital of Munster, Germany from July 7th to 25th July, 1998. Worked with Dr. Henry Halm of Halm-Zielke Instrumentation System. Has

exposure to advanced spinal techniques to deal with spinal deformity and spinal instability.

5. Awarded fellowship of AO International & worked at St. James University Hospital with Prof. Robert S Dickson and Mr. RM Smith. St. James Hospital is considered as one of the largest teaching Institute of the world. Gained experience in Spinal Surgery and Acetabulum and Pelvic Fractures – 1999.
6. Invited to Share Experience on Total Disc Replacement at Seol, Korea, March 2007.
7. Attended AO spine reconstructive seminar at Queens' Medical Centre, Nottingham, (England) from 8.10.07 to 9.10.07.
8. Invited to attend Conference on Disc replacement at MAX Hospital on 5th & 6th January, 2008 at New Delhi.
9. Attended meeting regarding starting of PG Courses in Transfusion Medicine and Geriatrics in Medical Colleges/Institutions in India on 30th January, 2008 at 11.00 AM in the office of the Secretary to the Govt. of India, Ministry of Health & Family Welfare, Nirman Bhawan, New Delhi.
10. Invited to attend Scientific rendezvous with Dr. Wise Young, founding Director of the W.M. Keck Center for Collaborative Neuroscience and a Professor at Rutgers, The State University of New Jersey” regarding ““Hope to Recover in Acute Spinal Cord Injury” at New Delhi on 29th Feb, 2008.
11. Panelist CHESCON , Topic: Empowering India by Scientific Integration, Innovation & Invention” at Punjab University, Chandigarh on 5.3.08 at 3.30 PM
12. CME of Pediatrics on “Common Endocrinology Disorders in Children” on 23.3.08 at Auditorium GMCH, Chd.
13. Attended International Conference on “Cooperative Development and Peace in Central Asia: An Indian Perspective” from 15-17 March,2008 at CRRID, Sector 19-A, Chandigarh.
14. Attended the Inter-country Workshop for Trainers in Injury Epidemiology Prevention and Care on the invitation of Ministry of Health & Family Welfare, Govt. of India in collaboration with World Health Organization from 28th July to 1st August, 2008 at Khon Kaen, Thailand and presented the curriculum for undergraduate medical students and to assist the group workshop for facilitating participants to adopt the curriculum for implementing in their respective countries.
15. Attended and completed AO Spine Principle Course as Faculty National from 10-12 July 2009, New Delhi.

ORGANIZATIONAL EXPERIENCE

1. Conducted Spinal Cord Injury workshop in collaboration with Indian Spinal Injury Centre, New Delhi and National Institute of Disability Rehabilitation & Research, USA 14-15 March, 1998.

2. Course Director in inaugural WHO workshop on “Capacity Building in Essential Trauma Care in Peripheral Health Institution at Chandigarh”.
3. Course Director in inaugural WHO workshop on “Essential Trauma Care in Peripheral Health Institution in Himachal Pradesh at Manali”.
4. Course Director in inaugural WHO workshop on “Interlocking Nail System at GMCH, Chandigarh, 4th-5th October, 1997.
5. Organized a CME and inaugural conference of Himachal Doctors Alumni Association at Chandigarh.
6. Organized a first ever Orientation Training Workshop for Master Trainers in Disability Prevention & Rehabilitation in the country at Chandigarh (11-15th September, 2000).
7. Organized a three days WHO Workshop for doctors at Government Medical College & Hospital, Chandigarh on Orientation training of trainers in Disability Prevention & Rehabilitation (28-30 April, 2001).
8. Organized a three days WHO Workshop for doctors at Government Medical College & Hospital, Chandigarh on Orientation training of trainers in Disability Prevention & Rehabilitation (29th-31st January, 2001).
9. Organized a three days WHO Workshop for doctors at Patiala on Orientation training of trainers in Disability Prevention & Rehabilitation (12-14 October, 2001).
10. Organized a three days WHO Workshop on Orientation training of trainers in Disability Prevention & Rehabilitation at Dharamshala (14-16 November, 2001).
11. Organized a three days WHO Workshop of Medical Officers to disability management under the aegis of Rehabilitation Council of India, Ministry of Social Justice & Empowerment, Govt. of India at Chandigarh from 30th September to 2nd October, 2001.
12. Organized a Workshop on orientation of Medical Officers to disability management under the aegis of Rehabilitation Council of India, Ministry of Social Justice & Empowerment, Govt. of India in the month of November, 2001.
13. Organized a Workshop on orientation of Medical Officers to disability management under the aegis of Rehabilitation Council of India, Ministry of Social Justice & Empowerment, Govt. of India from 9-11 December, 2001.
14. Organized a Workshop on orientation of Medical Officers to disability management under the aegis of Rehabilitation Council of India, Ministry of Social Justice & Empowerment, Govt. of India from 24-26th February, 2002.
15. Organized a Workshop on orientation of Medical Officers to disability management under the aegis of Rehabilitation Council of India, Ministry of Social Justice & Empowerment, Govt. of India from 28-30th April, 2002.

16. Organized a Workshop on orientation of Medical Officers to disability management under the aegis of Rehabilitation Council of India, Ministry of Social Justice & Empowerment, Govt. of India from 12-14th May, 2002.
17. Organized a three days workshop for Paramedics and Community Level functionaries working in UT, Chandigarh in disability prevention and medical rehabilitation at Government Medical College and Hospital, Sector 32, Chandigarh from 14-16 September, 2002 under the aegis of World Health Organization, Ministry of Health & Family Welfare, Govt. of India.
18. Organized and conduct a live “course and workshop on spinal surgery” from 20-23 September, 2002 in collaboration with Bangladesh Orthopaedic Society at National Institute of Traumatology & Orthopaedic Rehabilitation (NITOR), Dhaka, Bangladesh.
19. Organised a four day workshop for Master Trainers from doctors of Himachal Pradesh in disability prevention and rehabilitation at Government Medical College & Hospital, Chandigarh from 7-10 October, 2002 under the aegis of Rehabilitation Council of India, Ministry of Social Justice & Empowerment, Govt. of India.
20. Organised a four days workshop for Master Trainers from doctors of Himachal Pradesh in disability prevention and rehabilitation at Government Medical College & Hospital, Chandigarh from 10-13 January, 2003 under the aegis of Rehabilitation Council of India, Ministry of Social Justice & Empowerment, Govt. of India.
21. Organised a three days workshop for Paramedics and Community Level functionaries working in UT, Chandigarh in disability prevention and medical rehabilitation at Government Medical College and Hospital, Sector 32, Chandigarh from 1-3 February, 2003 under the aegis of World Health Organization, Ministry of Health & Family Welfare, Govt. of India.
22. Organised a one day training workshop for Community Level functionaries/community based rehabilitation worker working with State-cum-District Resource Centre, UT, Chandigarh in disability prevention and medical rehabilitation at Government Medical College and Hospital, Sector 32, Chandigarh on 4.5.2003 under the aegis of World Health Organization, Ministry of Health & Family Welfare, Govt. of India.
23. Organized 10th Annual Conference of Punjab Chapter of Indian Orthopaedic Association from April 10-11, 2004.
24. Organized a one day training workshop for Operating Room Personnel (ORP) on A.O. Principles at Government Medical College & Hospital, Sector –32, Chandigarh on 17.07.04.
25. Organised North Zone Indian Orthopaedic Association at GMCH in 2005.
26. Organised Annual Conference of Association of Spine Surgeon of India, 2006.
27. Organised meeting of NDMA at PGIMER, Chandigarh on 13th December, 2006.
28. Organised Live Surgery of New Design – Proxima Metal to Metal THR at PGI in February, 2007.

29. Organizing Annual Conference of Indian Arthroplasty Association on 25-26 February, 2007.
30. Organised & did Live Surgery on Cervical Spine disease –Elevating best practices in spine on 5th-6th May.
31. Organized Live Workshop on Non-endoscope RF Disc ablation decompression and Nucleotomy by Dr Stefan Hillinger Munic Germany on 20th May, 2007. Two cases of Disc disease were operated.
32. Organised Training workshop on Kyphoplasty held on 23.3.2008 at GMCH, Chd. (by Dr. Anand Aggarwal a Leading Spine Surgeon from UK)
33. Organized a Training Workshop and live surgery on Minimal Invasive Spine Technique on 29-30 October, 2008 at GMCH, Chandigarh (by Dr. Jorg Franke, a orthopaedic surgeon from University of Magde burg, Germany)
34. Organized first ever workshop in India on **Evidence Based Medicine**, in collaboration with Singapore Indian Group Networking for Empowerment Training (SIGNET) held on 23-26 May, 2009.

THESIS SUPERVISOR

Supervised thesis for Postgraduate studies in Orthopaedics (MS Orth) in Delhi University, Panjab University, Chandigarh and PGIMER, Chandigarh.

1. Closed Kuntscher Nailing in fracture of shaft of femur, 1988.
2. Muscle Histo-chemistry in Muscle Atrophy, 1989.
3. Role of Anterior Decompression in Cervical Spine Injuries, 1990.
4. Dome Osteotomy Vs French Osteotomy in Cubitus Varus, 1991.
5. Role of anterior decompression in thoracolumbar injuries with incomplete paraplegia, 1992.
6. Roentgenographic study in spinal injury 1992.
7. Role of VSP in unstable fracture of the thoracolumbar spine 1995.
8. Role of cervical laminoplasty in cervical spondylotic myelopathy, 2002.
9. Role of cervical laminectomy and lateral mass plating in cervical spondylotic myelopathy, 2003.
10. Early results of posterior endoscopic lumbar discectomy, 2004.
11. Role of anterior decompression in cervical spondylotic myelopathy.

12. Result of C₁ C₂ fixation in atlantoaxial dislocation.
13. Experience of fixation of Cervical Spine with Pedicle screw.
14. Tuberculosis of Lumbo sacral spine.

MEMBERSHIP OF SCIENTIFIC SOCIETIES:

STATE

1. Member Himachal Doctor's Alumni Association, Founder President-1998.
2. Member Banaras Hindu University, Alumni Association Chandigarh, President-1998.
3. Member State Health Advisory Council of Himachal Pradesh.
4. Member Development of guidelines for offer of physiotherapy programme through distance mode at Indira Gandhi National Open University, New Delhi.

REGIONAL

1. Life Member H.P. Chapter IOA.
2. Life Member Punjab Chapter IOA, President-elect: 2005.
3. Life Member North Zone Indian Orthopaedic Association.

NATIONAL

1. Life Member Indian Orthopaedic Association.
2. Life Member Indian Arthroplasty Association.
3. Member National Academy of Medical Science
4. Member Medical Equipment and Hospital Planning (MHD2) Bureau of Indian Standards
5. Member of Association of Spine Surgeons of India.
6. Delegate Member Education & Community Development(North)
AO Foundation (Chapter India)

INTERNATIONAL

1. Life Member Bangladesh Orthopaedic Society.
2. Life Member World Orthopaedic Concern.
3. Life Member of Chandigarh Chapter of the Association of British Scholars, Chandigarh.

FELLOWSHIP OF NATIONAL AND INTERNATIONAL SCIENTIFIC SOCIETIES

- a. Fellow International College of Angiology.
- b. Fellow International Medical Science Academy.
- c. Fellow Association of Osteosynthesis (AO/AISF) International, Davos Switzerland.
- d. Fellow of Indo-German Orthopaedic Foundation.
- e. Fellow National Academy of Medical Sciences (India).
- f. Fellow- Institute of Hospital Engineers.
- g. Elected Fellow, Punjab University Senate.

EXAMINERSHIP

For MBBS, D Orth, Diploma in Sports Medicine, Diploma in Physiotherapy, DNBE, MS Orth in Himachal Pradesh, Allahabad University, Jabalpur, Panjab University, Punjabi University, Delhi University, PGIMER Chandigarh, Gurunanak Dev University, Banaras Hindu University, AIIMS, MDU, Baba Farid University of Health Sciences, Kurukshetra University, Jammu University and Madras University.

GUEST LECTURES & PAPER PRESENTATION

1. Guest Lectures on Road, Safety Seminar, 2000 at HQ, WAC, Indian Air Force, Chandigarh (18th-19th December, 2000)
2. Lecture on Anterior Decompression and Fusion in Spinal Injury Centre at Colchester English Study Centre (U.K.) in May, 1993.
3. Guest Lecture at 20th Annual Conference, North Zone, IOA at Pt. B.D. Sharma P.G.I.M.S., Rohtak from 23rd-25th February, 2001.
4. Deliver a key note on Cervical Spondylotic Myelopathy and a lecture on Management of Spinal Injuries anterior versus posterior stabilization in the CME organized by Defence Services under the Ages of Association of Spinal Injuries of India (March 17,2001).

5. Lecture & Chair the Session on Annual Conference of North Zone (Indian Orthopaedics Association) 24.02.2001 at Rohtak.
6. Presented Paper on Modified Cervical Laminoplasty at Annual Meeting of Indian Orthopaedics Association at Ahmedabad in December, 2001.
7. Guest Lecture on Management of Trauma at State level meeting of IMA at Doraha (Pb.) in November, 2001.
8. Guest Lecture on Disability-Process, Magnitude, Prevention and Rehabilitation at CSIO, Chandigarh in the month of March, 2002.
9. Guest Lecture on Cervical Spondylotic. Myelopathy at Annual Meeting of HP Chapter of Indian Orthopaedics Association at Bilaspur in November, 2001.
10. Guest Lecture on Cervical Spondylotic. Myelopathy at Annual Meeting of North Zone Chapter of Indian Orthopaedics Associations, Jammu in February, 2002.
11. Guest Lecture on Cervical Spondylosis at HP Chapter of Association of Surgeons on 14.04.2002 at Mandi (H.P).
12. Lecture at Annual Conference of Punjab Orthopaedics Association, Patiala.
13. Delivered a Guest Lecture on "Disability Process & Magnitude" at Orientation of Senior Health Administrators Programme (RCI funded) at Pari Mahal, Shimla. (October, 2002).
14. Guest Lecture on Anterior Stabilization of Cervical Spine- Cage & Plating at Annual Conference of Himachal Orthopaedic Association, Shimla (September, 2002).
15. Guest Lecture on Trauma Management at CME on Trauma at Command Hospital, Ambala, (October, 2002).
16. Presented Paper on "Management of Fracture of Odontoid" at Annual Conference of Indian Orthopaedics Association at Patna held from 12-17th November, 2002.
17. Member of Panel to discuss Central Fracture Dislocation Hip at Indian Orthopaedic Association CME on Reconstruction of Severely Injured Lower Limb at Annual Conference of Indian Orthopaedic Association at Patna from 12-17, 2002.
18. Guest Lecture on Anterior Stabilization of Cervical Spine at International Spine & Spinal Injuries Conference, 2002 at Indian Spinal Injuries Centre, New Delhi from 22-24th November, 2002.
19. Lecture delivered on Managing Trauma at primary health care level held at Chandigarh on 21st December by IGMCACON-2002.
20. Delivered a Guest Lecture on Anterior Spinal Plating on 24.1.2003. at Varanasi in Annual Conference of Spinal Surgeons of India (Assicon-2003).

21. Delivered Guest lecture on An anterior Fixations of Cervical Spine in XXII Annual Conference of North Zone, Indian Orthopaedic Association held during March 21-23 at Govt. Medical College, Patiala.
22. Guest Speaker-cum-Resource Person on the topic of Spinal Injuries in North East Orthopaedic Surgeons” Conference-2004 held at Regional Institute of Medical Sciences, Imphal from 9-11th January,2004.
23. Guest lecture on current Trends and Future Advances in Minimally Invasive Surgery in Orthopaedics at Conference of newer technology by Department of Science & Technology, Govt of India, at New Delhi on 17th of May,2004.
24. Guest Lecture delivered on cervical laminectomy and Ipsilateral mass plating in management of spondylitic myelopathy at Govt. Medical College. Srinagar, XXIII NZIOA Conference , on 29th May, 2004.
25. Delivered a Guest Lecture on Hip Replacement for fracture neck of femur at AIIMS, New Delhi on 18.9.2004.
26. Delivered a Guest lecture at Central Scientific Instruments Organization, Chandigarh on Osteoporosis on 20.9.2004.
27. Guest Lecture on Low back ache at Panjab University in January,2007.
28. Invited to deliver a lecture regarding Trauma Centre – Government view point in U.P. ORTHCON-2008 on 3rd Feb, 2008 at J.N. Medical College, Aligarh (U.P.).
29. Delivered a lecture on on Stem cell under RSIC New Delhi on 24th Feb, 2008 at New Delhi.
30. Invited to deliver a lecture on “Management of Pain on 17th Feb, 2008 at New Delhi
31. Invited to deliver a Guest lecture regarding “Recent Advances in Spine Care in International Spine and Spinal Injuries Conference(ISICON)” held on 22-24 Feb,2008 at New Delhi.
32. Invited to deliver a lecture on “Difficulties in management of injured paediatric spine” at 2.30 PM on 5th April, 2008 at LHMC, New Delhi.
33. Invited to deliver Dr. Karam Singh Grewal Oration at the Annual Meeting of North Zone, Chapter of IOA, at 5.15 PM New Delhi being the past President of the NZIOA.
34. Chief Guest & Delivered a Guest Lecture on “Caring your Back for the Future” in the meeting of Association of British Scholars, Chandigarh held at Hotel Parkview, Sector 24, Chandigarh on 24.05.2008 at 11.30a.m.
35. Delivered a Lecture on “Total Disc Replacement – The Current Concepts and its Relevance to Indian Subcontinent” in the meet of Ludhiana Orthopaedic Association on 31.05.2008.

36. Delivered a Guest Lecture on Rotary Chandigarh Shivalik in their weekly meeting on 12.08.2008 on the topic " Back Care".
37. Invited to deliver the Guest Lecture on the topics **i) Painful Hip, ii) Bone Tumour iii) Spine Surgery**" in the Postgraduate Training Course scheduled held on 15-17th August, 2008 at Govt. Medical College, Bhopal (M.P.).
38. Delivered lecture on the topic "Role of importance of Spine in the Body and the fracture it can suffer because of all, weapon or otherwise" at Chandigarh Judicial Academy for Punjab & Haryana on 13.09.2008.
39. Delivered a Guest Lecture on the topic "Disaster Management" in the Annual CME of Indian Medical Association on the theme "Common Problems in Clinical Practice" held on 2nd November, 2008 at Chandigarh..
40. Delivered the Lectures on the topics i) Disaster Management – Govt. of India Perspective and ii) Recent Trends in Spine Surgery in the 53rd Annual Conference of Indian Orthopaedic Association, held from 02-12.2008 to 07.12.2008 at Bangalore.
41. Delivered Guest Lecture on Torture Victims in the National Conference of Comprehensive Rehabilitation of Torture Victims at GMCH held on 31.01.2009 and 01.02.2009
42. Chief Guest & Delivered the Guest Lecture on the topic "Disability Magnitude" at Indo Global College of Education, Abjipur on March 13, 2009 in their one day seminar on Making Special Education Inclusive : Aligning Disability issues with Learning, Teaching and Diagnostic Assessment.
43. Delivered the Guest lecture on the topic "Degenerative disease of Cervical Spine" at Symposium organized by Central Zone of Indian Orthopaedic Association at Pandit Jawahar Lal Nehru Memorial Medical College, Raipur (Chhatisgarh) on 22.03.2009
44. Delivered Guest Lecture at Divya Shiksha Gurukul College of Education for Women on the day of Mat-Pita Santan Divas on 12th April, 2009.
45. Delivered the Guest Lecture on the topic "Trends in Disability Magnitude" on 18th April, 2009 at Saket College of Physiotherapy.
46. Delivered the Guest Lectures on the topic(s) i)"Management of Thoracolumbar Spine Injuries, ii) Management Principles of lower cervical trauma and Strategies in thoracolumbar trauma on 11.07.2009 & 12.07.2009 respectively at New Delhi in the AO Spine Principles Course..
47. Deliver the guest lecture on the topic "Degenerative disease of Cervical Spine" at Symposium organized by Central Zone of Indian Orthopaedic Association at Pandit Jawahar Lal Nehru Memorial Medical College, Raipur (Chhatisgarh) on 22.03.2009.

48. Prof. T P Srivastava, Oration in UPORTHOCON 2014, at Jim Corbett, National Park, Nainital "Journey of Spine Surgery in India".
49. 29th September DMC, Ludhiana Punjab Orthopaedics Association conference – was chairperson.
50. 20th -21 November 2013 Hyderabad Workshop on use of Intra operative imaging in Spinal Surgery
51. 23rd -24th November 2013 Tanda, HP Lecture- session chaired on topic spondyloisthesis Himachal Pradesh Association conference Chairman – Govt. Medical College, Tanda, HP
52. 25th – 26th Nov New Delhi 2 days national conference on Rehabilitation on persons with spinal cord injury
53. 5th – 7th Dec Agra, 58th IOACON, 2013.
54. 29th March 2014 at New Delhi for Technical Advisor for the Standing Selection committee.
55. 16th June 2014 at New Delhi for evaluation of start of project under HRD scheme.
56. Paper accepted in Biomechanics-2015 International conference to be held at Florida, USA entitled as "Transarticular screw fixation for atlantoaxial instability-modified Magerl's technique in 38 patient".

Books Etc.

- i. Contributed in book "Disaster Management" on the topic Disaster and Orthopaedic Injuries.
- ii. Contributed in book "Guide to Prevention of Lifestyle Diseases" on the topic Healthy Lifestyle and Prevention of Diseases of Joints and Bones.
- iii. Contributed in book Better Health after Fifty.
- iv. Contributed in book: Current Issues & Solution on Environmental Sciences: Chapter on Environment and disaster management.
- v. Co-author in Book "Trends in Medical Physics and Biomedical Instrumentation".
- vi. Tarun Goyal' **Sarvdeep S Dhatt**, Raj Bahadur. "SURGICAL TECHNIQUES OF ATLANTOAXIAL (C1-C2) FIXATION". *MASTERING ORTHOPAEDIC TECHNIQUES SPINE. Jaypee Brothers 2011-12.*

- vii. Raj Bahadur, **Sarvdeep S Dhatt** FIRST AID IN DISASTER. First aid and Emergency Management in Orthopaedic Injuries Jaypee Publications.

Professional Honours & Training

- Awarded prestigious JJ Fellowship of IOA (1987)
- British Council Fellowship at Queens University of Belfast (1993-94)
- Fellowship of IGOF at Westfaelian Whilhelms University Hospital of Munster, Germany (1998)
- Fellowship of ASIF Switzerland at St. James Hospital, University of Leeds, U.K. (1999).
- Awarded **Young Achiever Award** by Confederation of Indian Industry (CII) to talk with Mr. Tony Blair, Prime Minister of U.K.
- Awarded '**Honorary Life Membership**' of Bangladesh Orthopaedics Society, in recognition of conducting workshop and live demonstration of spinal surgeries in order to train Orthopaedic Surgeons of Bangladesh in the field of Spinal Surgery, by Bangladesh Orthopaedics Society.
- **Appreciation certificate** by Chief Justice of High Court to Governor of Punjab and Administrator of U.T. Chandigarh regarding the services rendered by Dr. Raj Bahadur and team.

ORATIONS

- Dr. Karan Singh Grewal Oration on Recent Trends in Spine Surgery on being the past President of North Zone Chapter of Indian Orthopaedic Association in the year 2007.
- Prof. T P Srivastava, Oration in UPORTHOCON 2014, at Jim Corbett, National Park, Nanital "Journey of Spine Surgery in India".
- Desh Bhagat Oration at Desh Bhagat University, Distt. Fatehgarh Sahib 2015.

SOCIAL RECOGNITION

- Distinguish Service Award of IMA, South Delhi.
- Awarded SHAAN-E-UNA by HIMOTKURSH (Himachal Pradesh) as an illustrious person and as a mark of recognition for the commendable Social Service.

- Distinguished Service Award for 1993-94 by Medocos Club Delhi South on Indian Medical Association- 1994.
- **Recognition Award** by Indian Red Cross for selfless service on the World Red Cross Day-2004.
- **Excellent Surgeon Award-2004** with cash award of Rs.20,000/- and trophy by M/s. Systopic Industries with Prof. P.K. Dave, former Director, AIIMS and top Orthopaedic Surgeon as Chairman of the Selection Committee
- Awarded **“Best Citizen of India”** in recognition of exceptional caliber and outstanding performance in Orthopaedic Surgery –2008.
- Awarded **Rashtriya Rattan** by Vishwa Jagriti Mission-2008
- Awarded **“Life Time Achievement Gold Medal Award”** by Indian Solidarity Council, New Delhi in their National Seminar on “Education & Socio-Economic Development” on 19.12.2008 at New Delhi.for outstanding achievements.
- Awarded **“Rashtriya Vidya Saaswati Puraskar”** by International Institute of Education & Management on 19.12.2008 at New Delhi.
- Awarded **“Glory of India Award”** with Certificate of Excellency for Meritorious Services, Outstanding Performance and Remarkable Role by India International Friendship Society.
- Awarded **Punjab Ratan** (Himachal, Punjab & Haryana Intellectuals Honour) for the recognition of the distinguished services rendered to the Society at large by All India Conference of Intellectuals in their 28th Annual Celebration year 2009.
- Awarded with **Himachal Gaurav Puraskar** by Himachal Pradesh Govt. in 2015.
- Honoured with **“BABA FARID AWARD FOR HONESTY”** by the Tilla Baba Farid Religious and Charitable Society and Gurdwara Godri Sahib Baba Faridkot Society.Faridkot Administration
- **Honoured by the Hon’ble Chief Minister, Punjab with a “STATE AWARD” for exemplary services in the field of Medicine** on the eve of Independence Day on 15th August, 2016.

AS A SURGEON

In addition to developing general Orthopaedics, special interest in spinal surgery is reflected by doing more than **ten thousands spinal surgeries in about 19 years at GMCH & PGI, Chandigarh and five hundred in RSIC, Mohali.** Personally operated 6-9 spines per week, which is undoubtedly a very high

number for any single surgeon or any single unit of Orthopaedics anywhere in the country. The type of work can be compared with any good center in the west. I have introduced various surgical techniques for fixation of Fracture Odontoid, C1-C2 Transarticular fixation, Cervical Laminoplasty, Cervical Laminectomy with lateral mass plate, Scoliosis surgery with both front and back approach, Endoscopic Disc Surgeries, Replacement of Cervical and Lumbar Disc, Proxima Total Hip Replacement, Surface Replacement of Hip & Knee, Kyphoplasty. Navigation System for spinal surgeries and joint replacement. The referrals pertaining to spinal surgery are from J&K, H.P., Punjab, Haryana, U.P., Rajasthan, Madhya Pradesh and Delhi.

I am trying to make Regional Spinal Injury Centre at Mohali which is going to bring a revolution in the care of spine disease and also actively participated to develop a Regional Trauma Centre and Medicity in Chandigarh.

In addition to the administrative work, I need to participate in the meetings with the senior Administrative Officers of Chandigarh Administration like Secretary, Medical Education & Research, Home Secretary, Finance Secretary & Adviser to the Administrator and occasionally even with the H.E. The Governor of Punjab & Administrator, U.T. for planning and monitoring the progress in medical education and research.

- ve Earlier, the University never used to get annual grant for paying salaries to its entire staff from the State Govt. This important issue has also been got resolved from the Govt. of Punjab. Even, to improve the financial status of the University, various austere measures have been taken.
- Various reforms have duly been made in the Examination System of this University alike – the University used to delegate the responsibility of conducting exams to the Colleges itself and even the external examiners were used to be appointed by the Colleges, as a result of which the Managements of the Colleges used to get undue advantages from the students and similarly, the students used to.

But now all the examinations have been started to be conducted by the University itself. Observers, Examiners, Invigilators, Centre Superintendents are even appointed by the University at its own, that too in such a confidential manner. Resultantly, the fair results are being produced. Unfair means are being observed very carefully and strictly. Moreover, other reforms like conduction of online exams from the next sessions shall be implemented.

- For fair inspection and affiliations of the colleges, even the Inspectors are being appointed by the Vice Chancellor itself and that is done in a very confidential and adequate manner. The Inspectors are even disclosed about the Colleges, to be inspected on the day of inspection itself. Consequently, several colleges have been reported to be working without adequate number of required faculty and infrastructure, which is mandatory requirement of each & every colleges to be fulfilled. Thus, all the colleges are trying to improve them hardly.
- At administrative level, various matters like promotions of the teaching and non-teaching staff which were pending since long have duly been done. Moreover, the matters regarding allegations against delinquent officials/staff, are being inquired in a fair manner. Furthermore, the punctuality of each and every staff is strictly being taken care, so that everyone may provide its entrusted service to the public in a well manner and may not create any hassle.
