Baba Farid University of Health Sciences, Faridkot is one among 13 Universities of Health Sciences in the Country, which is making a niche in the Medical Education over last few years. It has five facilities of various health sciences, has 146 affiliated colleges and about 35000 students are on roll with the University. In addition to the various courses pertaining to the health sciences, the University has unique distinction of running skilled courses in as many as 60 streams which shall develop human resources which is a great need of the society. These skilled Courses are in line with the thoughts of Hon'ble Prime Minister. The University is committed for transparency accessibility problem solving approach for the students and maintaining standards as per statutory bodies like MCI, DCI & INC. It is open for the genuine criticism for the development of University. The University and its affiliated colleges are putting every best effort to increase its infrastructure, so that ambience of better learning is created.

Baba Farid University of Health Sciences, Faridkot from 2017 has come under the ambit of NEET for both UG/PG admissions in various streams. It is also a matter of pride that BFUHS has been designated as an agency to conduct the combined counselling of all the colleges of various streams including Private Colleges and Minority Institutions. This shall obviate the inconvenience to the students and parents to seek admission in the state of Punjab. Simultaneously, University for over last 2 (two) years has also started e-transfer of question papers as well as evaluation of students in order to mitigate any bias of both Internal & External examiners, which shall give confidence to the students that they have been evaluated in a genuine way.

For Post Graduate students, crash courses in different specialties are organized in different streams, which will provide opportunity to the students interacting with their own teachers as well as teachers from other Institutions as well as teachers with eminence. All these steps are associating to improve the Medical education in the State of Punjab in hope to produce Doctors who are safe and reliable to the society.

In the end, I welcome all the new entrants to the University.
