The Principals
All Colleges of Nursing
Affiliated to Baba Farid University of Health Sciences

Sub: Regarding imposition of penalty for not having own Internal Examiner

In reference to the various request received by the University in reference to appoint internal examiner in the nursing colleges at very last moment nearing examination, your attention is drawn towards the decision taken by the Faculty of Nursing in its meeting held on 11.8.2017 vide para-6(6), which is reproduced below:-

" That in case, if at the last moment, a request is received from the Principal for change of Internal Examiner due to non-availability of Internal Examiner approved by the Faculty of Nursing Sciences, an alternate Internal Examiner will be appointed by the Controller of Examinations, after getting approval from the Competent Authority with a condition that University will charges Rs. 1.00 lac per examiner from the college on account of penalty for not having its own Internal Examiner at the last moment".

The above decision has again been made applicable for Nov/Dec, 2017 Examinations session by the Faculty of Nursing in its meeting held on 23.1.2018.

This decision was taken to mitigate the malpractice anticipating that certain colleges are not able to hire the required teachers or probably ghost faculty practice is still prevalent in certain institutions. The competent authority has taken a serious note of the fact that the decision taken by the faculty of nursing itself is not being followed by them in letter and spirit.

You are, therefore, directed to adhere to the decision stated above otherwise, the penalty shall be imposed.
