

Clarification regarding surrender of seat before the 2nd PG counselling.

In response to the various queries, it is decided that the 2nd counselling shall go as per previous year format i.e. "the candidates who have opted the seat in 1st counselling and deposited the fee, are eligible for 2nd counselling for shifting of seat as per his/her choice without surrendering the seat of 1st counselling. Those candidates who do not want to continue with seat allotted in 1st counselling, can surrender the seat before the 2nd counselling in their respective colleges and such candidates are still eligible for 2nd counselling."
