NOTICE

Keeping in view the past experience of overcrowding in a small city with limited space of night accommodation, parking and in anticipation of bad weather forecasting during the counseling days i.e. 9.8.2018 to 12.08.2018 scheduled at Auditorium, GGS Medical College, Faridkot, it is suggested that only one parent /guardian shall accompany the candidate at Counseling Venue as at times the counseling continue through out the night. This would ease the Counseling authority to manage the huge gathering and provide proper facilities to the incumbents.

Your co-operation and assistance is highly solicited.
