

BABA FARID UNIVERSITY OF HEALTH SCIENCES, FARIDKOT**List of Candidates Awarded Ph.D Degree**

| Sr. No. | Regd. No. | Candidate's Name | Father's Name | Faculty | subject | Research Title |
|---------|------------------|-------------------------|---------------------|------------------|------------------|---|
| 1 | 2000-GCM/A-002F | Gagandeep Kaur | Chamkaur Singh | Medical Sciences | Anatomy | Personal Identification Using – Lip Morphometry & Cheiloscopy - A study in 600 Punjabi Females |
| 2 | 2007-GCM/A-001 | Sukhraj Kaur | Gurdial Singh Sidhu | Medical Sciences | Biochemistry | To identify risk factors and their management with intervention with life style modification in siblings of patients with type 2 diabetes Mellitus. |
| 3. | 99/97-GCM/A-162F | Paramjit Kaur | Jasbir Singh | Medical Sciences | Anatomy | Craniofacial Anthropometry in three endogamous groups of Punjab |
| 4. | 2007/C HM/L-001 | Shereen Rachel Varghese | Varghese Mathew | Medical Sciences | Microbiology | Extended spectrum beta - lactamases in gram-negative pathogens in a tertiary care hospital in the 21 st century |
| 5. | 2005-GCM/A-001 | Nikita Kalra | Nikita Kalra | Medical Sciences | Immuno-pathology | Role of IHC Expression of HER-2 NEU and ER Receptors as prognostic markers in carcinoma breast and correlation with mitotic and apoptotic index. |
| 6. | 2000-GCM/A-002F | Paramjeet Kaur | Jasbir Kaur | Medical Sciences | Anatomy | Personal identification using- Lip Morphometry and Cheiloscopy A study in 600 Punjabi Females |

List of Candidates Registered for Ph.D Degree Course

| Sr. No. | Name of the Candidate | Faculty | subject | Research Title |
|---------|-----------------------|------------------------|---------------|--|
| 1. | Joyt Amrita | Medical Sciences. | Bio-Chemistry | “A study of Polymorphism in some candidate genes of cardiovascular disease in menopausal women from North Western Punjabi Population.” |
| 2. | Savjot Kaur | Medical Sciences(AHS). | Bio-Chemistry | Study of Single Nucleotide Polymorphism in Some Candidates Genes Associated With Coronary Artery Disease |
| 3. | Jasmeet Singh | Medical Sciences. | Biochemistry | A comparative study of serum iron profile, total antioxidant status and oestrogen levels in pre and post menopausal women suffering from breast cancer with healthy females of the same socioeconomic status in malwa region of Punjab." |
| 4. | Usha Kumari Gupta | Medical Sciences. | Bio-Chemistry | Cystatin-C evaluation over and above Creatinine Clearance in Type 2 diabetics of Jammu and North West Punjabi Population |
| 5. | Pratiba | Medical Sciences. | Anatomy | “Growth status of adolescent girls at the age of onset of menarche. |
| 6. | Shubpreet Sodhi | Medical Sciences. | Anatomy | Morphometry of middle ear ossicles in north Indian population |
| 7. | Buddhadeb Gosh | Medical Sciences. | Anatomy | Aluminum toxicity on reproductive system and nervous system in rats: Role of ethanol coexposure |
| 8. | Maninder Kaur | Medical Sciences. | Anatomy | COMPARISON OF MORPHOMETRIC,RADIOLOGICAL AND HISTOLOGICAL STUDY OF DEVELOPING UPPER LIMB LONG BONES IN HUMAN FETUSES” |
| 9. | Ravdeep Kaur | Medical Sciences. | Anatomy | The morphological and morphometric study of Adult human mandibles- comparison between dry bones and their orthopantomogram |
| 10. | Alok Saxena | Medical Sciences. | Anatomy | Elucidation of Anticancer Effects of Carotenoids on Hela Cell Lines |
| 11. | Sanjana | Medical Sciences. | Anatomy | Anatomical Response and Reactions of Middle adolescent Urban Punjabi Female Students to Challenges and Stress in Contemporary Era- A Study in Humanities, Commerce and Science Streams |
| 12. | Anupama | Medical Sciences | Anatomy | Relationship of palm and Finger Print Patterns with ABO Blood Group and Gender in Medical students of Jat Sikh and Bania Communities of Punjab” |

| | | | | |
|-----|------------------|------------------------|---|--|
| 13. | Navjot Kaur | Medical Sciences. | Anatomy | Growth status of Children aged 0 to 3 years - a longitudinal study |
| 14. | Swarnjit kaur | Medical Sciences | Anatomy | Estimation of Femur Length From Its Fragments In Adult Population” |
| 15. | Amarbir kaur | Medical Sciences | Anatomy | ’MAJOR FORAMINA IN NORMA BASALIS OF THE HUMAN SKULL -A MORPHOLOGICAL AND MORPHOMETRIC STUDY” |
| 16. | Vikas Gupta | Medical Sciences. | Pharmaceutical Sciences | Isolation characterization and antianxiety potential of active components from leaves of common varieties of Grapefruit |
| 17. | Vir Vikram | Medical Sciences | Pharmaceutical Sciences | RENO-PROTECTIVE EFFECT OF SOME MEDICINAL PLANTS EXTRACTS IN EXPERIMENTALLY INDUCED NEPROPATHY’ |
| 18. | Raj Kumar | Medical Sciences. | Pharmacology | A Study Of Prescribing pattern AND Effect of Ramipril, Telmisartam as Monotherapy and Their Combination in Patients of Diabetes Mellitus with Hypertension |
| 19. | Gurpreet Kaur | Medical Sciences(AHS) | Medical Physics | RADIOBIOLOGICAL AND DOSIMETRIC EVALUATION OF VARIOUS FRACTIONATION REGIMENS IN HDR BRACHYTHERAPY USING IR-192 SOURCE FOR CARCINOMA UTERINE CERVIX |
| 20. | Rahul Shukla | Medical Sciences(AHS) | Physics | Bean modeling of telecobalt unit for the dose verification by using monte carlo technique.” |
| 21. | Sheetal | Medical Sciences.(AHS) | Medical Physics | Intensity Modulated Radiotherapy Dose Verification using Amorphous Silicon Electronic Portal Imaging Device |
| 22. | Garima Gaur | Medical Sciences.(AHS) | Medical Physics | Dosimetric and Radiobiological Comparison Of Different Radiotherapy Planning Techniques in the treatment of Carcinoma of Breast |
| 23. | Babita Bansal | Medical Sciences. | Physiology | ALTERATIONS IN CALCIUM AND PHOSPHOROUS HOMEOSTASIS IN CHRONIC KIDNEY DISEASE PATIENTS ON HEMODIALYSIS: ITS IMPACT ON BONE MINERAL METABOLISM |
| 24. | Shilpi Vashishta | Medical Sciences. | Physiology | Menstrual cycle Variability: Its correlation to Dyslipidemis and plasma C-reactive protein levels as a predictor for cardiovascular disease |
| 25. | Dipti Gupta | Medical Sciences(AHS) | Audiology and Speech Language Pathology | To study the impact of Intra-tympanic dexamethasone on audiological profile in Head and Neck Cancer patients receiving Cisplatin concurrent to radiotherapy” |
| 26. | Ratul Dey | Medical Sciences.(AHS) | Audiology and Speech Language Pathology | A Comparative study of audiological findings in children (3-14 years) with clinically resolved otitis media and those with normal hearing |
| 27. | Richa arya | Medical Sciences(AHS) | Audiology and Speech Language Pathology (AHS) | Adaptation of Voice Handicap Index in Punjabi Language and Voice profile of Patients With Laryngeal Pathologies |

| | | | | |
|-----|---------------------|------------------------|---|---|
| 28. | Satish kumar | Medical Sciences(AHS) | Audiology and Speech Language Pathology (AHS) | Audiological and neuropsychological findings in subject with tinnitus having normal hearing |
| 29. | Nachhatarjit Singh | Medical Sciences | Microbiology | A study of Epidemiological, microbiological, profile and antimicrobial resistance among bacterial isolates of intensive care units (ICU' s) of a tertiary care hospital |
| 30. | Ramandeep Kaur | Medical Sciences.(AHS) | Microbiology | Molecular Typing of Mycobacterium tuberculosis strains Isolated from Cases of Pulmonary Tuberculosis in Malwa region of Punjab” |
| 31. | Christian Vimal | Medical Sciences. | Microbiology | Evaluation and role of High Risk Human Papilloma Virus Genotyping in uterine cervical cancer in tertiary care hospital |
| 32. | Satish Sharma | Medical Sciences. | Physiotherapy | Effect of Vibration Stimulus on Spasticity, Balance and Gait in Post Stroke Hemiplegic Patients |
| 33. | Neeraj Sharma | Medical Sciences(AHS) | Nuclear Medicine | Role of Positron emission tomography-computed tomography & Ca 15.3 serum tumor marker in the early localization of breast cancer recurrence |
| 34. | Amandeep Kaur | Medical Sciences | Nuclear Medicine | Clinical Evaluation & Quantification of Gastroesophageal Reflux (GER) by Non-invasive Scintigraphy Technique in Patients using Single Photon Emission Computed Tomography (Spect) |
| 35. | Jasmine Grover | Medical Sciences(AHS) | Bio-Technology | In Vitro and In Vivo Analysis of Wheat Varieties for Potential Variability in Immunogenicity to Celiac Disease Patients |
| 36. | Manpreet Kaur | Nursing Sciences. | Nursing | A comparative study on Prevalence of fall, Contributory factors, Health consequences and Life style modifications among elderly in selected urban and rural communities of Amritsar, Punjab |
| 37. | Arti | Nursing Sciences. | Nursing | A study to assess the effectiveness of structured teaching programme regarding Human Papilloma Virus infection and the Cervical Cancer on knowledge, perceptions and preventive behaviors among college girls in selected colleges of district Patiala, Punjab |
| 38. | Preety Alagh | Nursing Sciences. | Nursing | A Randomized Control Trial to compare the Effectiveness of Antenatal Expression of Milk at Term and Conventional Method of Milk Expression on Lactational Performance, Attachments and Satisfaction among Postnatal Women at selected Hospitals of Patiala, Punjab |
| 39. | Pushpa Oraon | Nursing Sciences. | Nursing | A COMPERATIVE STUDY TO ASSESS THE EFFECTIVENESS OF EMOTIONAL INTELLIGENCE TRAINING MODULE VERSUS PROGRESSIVE RELAXATION TECHNIQUE AND THEIR ASSOCIATION TO ACADEMIC PERFORMANCE AMONG NURSING STUDENTS OF SELECTED NURSING COLLEGES OF PUNJAB |
| 40. | Shabnam Masih | Nursing Sciences. | Nursing | An experimental Study to assess Effectiveness of Dance Movement Therapy and Music Therapy on Hostility and Social Competence Deficits among Adolescents in Selected Schools of Ludhiana, Punjab |
| 41. | Davinder Kaur | Nursing Sciences. | Nursing | A randomized clinically control trial for comparison of open versus closed catheter system in prevention of catheter related blood stream infections among critically ill patients admitted in intensive care units |
| 42. | Narinder Kaur Walia | Nursing Sciences. | Nursing | An exploratory study on adverse effects experienced and perceived embodying identity in view to Develop information, education & communication protocol to minimize adverse effects and to improve embodying identity among breast cancer patients receiving chemotherapy at selected hospitals in Punjab |

| | | | | |
|-----|---------------------|-------------------|---------|--|
| 43. | Shivani Sharma | Nursing Sciences. | Nursing | A methodological study to develop a user friendly partograph and evaluate its effectiveness and utility in selected health centres of mohali and patiala districts of Punjab |
| 44. | Ashok Kumar | Nursing Sciences. | Nursing | Development of Risk Assessment Tool for the Predication of Pressure Ulcer in Patients admitted in selected Hospitals of Punjab |
| 45. | Prabhjot Kaur Saini | Nursing Sciences. | Nursing | A Randomized control trial on impact of face-to-face counseling sessions on health seeking behavior and lifestyle modifications among elderly population with diabetes mellitus type 2 residing in selected rural area of district Ludhiana, Punjab |
| 46. | Neena Vir Singh | Nursing Sciences. | Nursing | A study to develop a cardiac rehabilitation program for the post cardiac surgery patients and to evaluate its effectiveness in term of their physiological parameters, activities of daily living, quality of life and stress at selected hospitals of Punjab and Chandigarh |
| 47. | Sharanjit kaur | Nursing Sciences | nursing | A Quasi experimental study to assess the effectiveness of Psychosocial intervention on quality of life of gynaecological cancer patients in GGS Medical College & Hospital, Faridkot (Punjab) |
| 48. | Riya | Nursing Sciences | nursing | A Randomized Control Trial to Assess the Effect of “No Mind Meditative Therapy” (NMMT) on Depressive Symptoms, Anxiety and Locus of Control among student nurses in selected institutions, Punjab. |

Note:-In case of any kind of discrepancy, the candidate is requested to report along with the letter of discrepancy in the office of undersigned.
