SUB: Invitation to publication in the first issue of the Journal of Health Sciences of BFUHS.

Respected all concerned,

I am pleased to inform to all the medical fraternity of this University and other health sciences universities of the country and round the globe that Baba Farid University of Health Sciences, Faridkot is going to publish its first volume of Medical Journal under the dynamic leadership and patronage of **Prof. (Dr.) Raj Bahadur**, Vice-Chancellor, Baba Farid University of Health Sciences, Faridkot. The main objective of publishing this journal is to provide an information sharing platform among stakeholders and to boost the research and developmental activities in the field of health sciences. This scholarly publication will not only act as innovation sharing media but also play a proactive role to address various health sciences related issues worldwide. Hence, the editorial board of the journal invites all the faculty members, researchers and students to contribute to the publication of scientific articles (not previously published or currently under consideration for publication in another journal), original case studies and scholarly communications. All manuscripts are subjected to peer review process. Those adjudged suitable are then accepted for publication. The deadline for submission of articles for the first issue is January February, 2019 and should be sent on bfuhsj@gmail.com. The author guidelines must be adhered before submission.

With best regards,

Registrar
