1. As per schedule at page no. 4, the document verification of only Minority Quota candidates will be conducted in the concerned Institutes. The certificate of Micro Reserved and SC/BC Category candidates will be verified at the time of reporting in the Provisionally allotted college. The candidate applying under SC/BC Category shall produce the reserve category certificate to be issued by the Competent Authority of Punjab only which will be verified at the time of reporting in the Provisionally allotted college.

Step-IV The Provisional Merit List

1. The University shall display the State Merit (of registered candidates) on the University website as per schedule. After displaying the state merit list of registered candidates, the University shall open the online portal. Online counselling will be held through website where online counselling form will be available as per schedule specified in Important Dates.

Step-V Filling of choices/preferences of course during online counselling

1. Only registered candidates are eligible for the counselling(s), no candidate shall be allowed to participate in the counselling (online/physical) without registration and deposition of

- fee before last date as prescribed.
2. The candidates should read the eligibility conditions carefully and just exercising online option of college / appearing in counselling does not entitle him/her for admission. Eligibility conditions for admissions are as per Punjab Govt. Notification(s). The eligibility shall be determined by the Principal at the time of counseling at the allotted College. Those who are not eligible as per Punjab Govt. notification will not be considered for admission.
 3. Counselling for admission to MBBS/BDS, session 2024 will be conducted online followed by Physical reporting of the candidates to allotted colleges. During online counseling, candidates will fill online counselling form. They shall give their preferences of course, college, category, quota. Candidates are advised to take proper caution while filling up the order of preferences of course, college, category, quota. Candidates of reserved categories (who scored marks equivalent or more than the minimum cut-off of open merit NEET marks) are eligible in open merit and will be considered in open merit first as the Provisional Seat will be allocated as per NEET merit and in order of online preferences submitted by the candidate.
 4. After provisional allocation of seat, candidates can download provisional allocation letter from the University website after logging into their account and will report to the respective college along with all original documents for the checking of documents and their eligibility. If found eligible, he/she has to deposit the tuition fee through online payment gateway. Issuing of Provisional Selection Slip alone does not confer any right to claim the allocation of seat in respective college as their provisional selection is subject to verification of documents and checking of eligibility as per guidelines of Punjab Govt. Notification published in the Prospectus.
 5. If any candidate does not follow the said process, his/her allocated seat will be cancelled automatically without any intimation and his/her seat shall be declared as vacant for the subsequent round of counseling.
 6. In case candidate seat is upgraded/changed in the 2nd round of counselling and he/she has already deposited the tuition fee during 1st Round of online counseling, then, he/she is not required to deposit fee again, only difference in fee, if any, shall need to be deposited.
 7. If any candidate is not willing to change/upgrade the seat/college in 2nd round of counseling, he/she is not required to participate in the 2nd round of counselling. In case, candidate wishes/intends to upgrade/change his/her seat he/she will have to participate in the 2nd round of counselling by depositing requisite amount of willingness fee equivalent to the amount of security(refundable/forfeitable) and give his/her preferences afresh for the course/college/category/quota.
 8. In case any candidate wants to quit the course/seat, he/she will have to submit application to the respective college regarding his/her surrender of seat with free exit/forfeiture of fee within stipulated period (date and time) as per notice published on the University website. In case of surrender with forfeiture, the penalty will be imposed as per Gazette Notification No. MCI-34(41)/2018-Med./109835 dated 18/05/2018 (available at page no. 67 to 69).
 9. It is pertinent to mention here that the candidates can fill the choices of colleges/quota which are not reflecting in the vacancy position of seats as few seats may arise due to shifting of candidates from one college/quota/category to another college during subsequent round of counseling as per instructions of MCC, Govt. of India. In this regard, it is made clear that during subsequent round of online counseling one can upgrade/shift seat as per his/her choice by vacating the already occupied seat of 1st counseling. This is also made clear that some seats of reserve category, NRI Quota seats etc may remain vacant after exhausting all candidates of respective quota/category as per notification. Therefore, as per MCC guidelines, any seat remained vacant due to shifting/conversion of seats, it is not mandatory to fill only those choices/preferences which are reflected in the

vacancy position of seats. So candidates are advised to fill the maximum preferences/choices of colleges as per their choice. The seats in subsequent round will be allocated as per availability of seats as per merit cum choice/preference submitted afresh by the candidate.

10. The candidate to whom seat will be allotted in 2nd Round and he/she will not submit joining in the respective college upto stipulated period, then the security amount deposited by him/her will be forfeited as per Gazette Notification dated 18.05.2018.

Step-VI Provisional allotment of seat:-

1. The seat will be allotted provisionally to the candidate as per merit list and institutional preferences submitted by him/her in online counseling form. Allocation of seat is provisional subject to verification of original documents/checking of eligibility by the Principal of concerned Colleges. After provisional allocation of seat, candidate shall deposit the tuition fee through online payment gateway and report to the allocated college for verification of documents and checking of eligibility. It is sole responsibility of the Principal to authenticate the eligibility of the provisionally allocated candidate before their joining/admission.

Step-VII Verification of Documents after provisional allotment of seat:-

1. The Provisional selected candidates desired to join the provisionally allotted seat, shall have to report to the Principal of concerned college and required to produce all of their original documents/credentials for verification. It is sole responsibility of the Principal to authenticate the eligibility of the provisionally allocated candidate before their joining/admission. If the selected candidate is found eligible as per instructions of Punjab Govt. Notification then he/she will be allowed to submit his/her joining report after medical checkup.
2. After the verification of the documents and checking of eligibility, the candidate can pay the online fee after generating allotment letter both at his/her own level or college level.
