Date: January 10, 2019

Notice

SUB: Regarding HSLIBNET services to affiliated colleges of the University.

Baba Farid University of Health Sciences, Faridkot has established Health Sciences Library Network (HSLIBNET) during 2010 after the approval of Board of Management of the University to provide access to e-library/ e-resources to students and teachers of all the affiliated colleges of the University. This project was successfully working since its inception with more than 13 lakh (13, 61,683) searches and more than 1.70 lakh (1,79,622) documents were downloaded from 2013 to 2015. Now, the University is interested to restart the services, hence, open proposals from Publishers/ Authorized Vendors are invited for trail access upto 14.01.2019. The trial access will provide the base to raise the momentum among the stakeholders. Please send the proposals through email at hslibnet@gmail.com.
