

Gian Sagar Dental College & Hospital , Rajputa , Dist Patiala

	Name of the Candidates	Speciality	Topic of thesis
1	Dr. Yuvika Mittal	MDS (Oral and Maxillofacial Surgery)	Management of Zygomatic bone Fractures using L-Shaped Titanium Miniplates as one point fixation – A prospective Clinical Study.
2	Dr. Simarpreet singh	MDS (Oral and Maxillofacial Surgery)	Changes in post insertion stability of Dental implants following Osteotomy site preparation using conventional or piezoelectric drilling protocol : A Comparative Clinical Study.
3	Dr. Rama Bharti	MDS (Oral and Maxillofacial Surgery)	Use of Single L-shaped versus two straight Titanium miniplates in the management of Mandibular Condylar fractures –A comparative study.
4	Dr. Jaspreet Singh	MDS (Prosthodontics and Crown & Bridge)	Effect of surface conditioning method and chemical treatment on the bond strength of Acrylic teeth with different dentures base Materials – An in Vitro Study.
5	Dr. Jasneet K. Dhaliwal	MDS (Prosthodontics and Crown & Bridge)	Influence of auxillary retentive features on retention and resistance form in teeth with varying occlusocervical heights prepared for complete cast crowns - An in vitro study
6	Dr. Damanpreet Kaur	MDS (Prosthodontics and Crown & Bridge)	Marginal Accuracy of Metal copings fabricated with two different techniques using two different alloys: A comparative in Vitro Study .
7	Dr. Esha Goyal	MDS (Periodontology)	Comparative Evaluation of Two Commercially Available Desensitizing Agents on Occlusion of Dentinal Tubules using Scanning Electron Microscope - An in-vitro study
8	Dr. Shanam Kansil	MDS (Periodontology)	Evaluation of Regenerative Potential of Hydroxyapatite and β - Tricalcium Phosphate Composite Bone Graft alone and in Combination with Simvastatin gel (1.2%) in the Treatment of Periodontal Intrabony Defects- A Comparative Clinical Study
9	Dr. Avineet Kaur	MDS (Periodontology)	Comparative evaluation of plaque and stain removal efficacy of rubber cup and air polishing techniques using glycine powder –A Randomized Clinical Trial .
10	Dr. Snigdha Sharma	MDS (Conservative Dentistry and Endodontics)	Comparative evaluation of apical sealing ability of two root canal sealers following post space preparation with or without using ultrasonics for smear layer removal – An in vitro study
11	Dr. Jyotsana.	MDS (Conservative Dentistry and Endodontics)	Comparative evaluation of the antimicrobial efficacy of Sodium hypochlorite, Chlorhexidine, Neem leaf extract and QMix against Enterococcus Faecalis when used as root canal irrigants- An in vitro study.
12	Dr. Jasmeet Kaur Ryait	MDS (Orthodontics and Dentofacial Orthopaedics)	“Efficacy of different mouth rinses for plaque control in patients undergoing fixed orthodontic mechanotherapy”
13	Dr. Divleen Kaur Khurana	MDS (Orthodontics and Dentofacial Orthopaedics)	An in vitro comparative evaluation of Direct bonding indirect bonding with conventional adhesive and indirect bonding with low viscosity adhesive : A scannin electron microscope study .
14	Dr. Khushboo Kansal	MDS (Pedodontics and Preventive Dentistry)	An in vitro comparative evaluation of smear layer removal using four root canal irrigants in primary and permanent teeth – A sem study.
15	Dr. Priyanka Gulati	MDS (Pedodontics and Preventive Dentistry)	A Comparative evaluation of the remineralization potential of three different pit and fissure sealants using scanning electron microscope – an in vitro study.
