

17	Creatine Kinase(CK NAC)								
18	CKMB along with its calibrator								
19	LDH								
20	Amylase								
20	Lipase								
21	GGT								
22	Cholinesterase								
23	TP (Total protein)								
24	Albumin								
25	Iron								
26	IBCT/UIBC								
27	HbA1c								
28	CRP								
29	CRP HS								
30	IgA along with its calibrator								
31	IgG along with its calibrator								
32	IgM along with its calibrator								
33	IgM along with its calibrator								
34	MicroAlbumin for CSF/Urine along with its calibrator								
35	Total protein for CSF/Urine along with its calibrator								
36	Bicarbonate along with calibrator								
	<b>ISE Reagents</b>								
37	ISE Buffer								

38	ISE Mid Standard								
39	ISE Reference								
40	ISE internal reference								
41	ISE cal High								
42	ISE cal urine								
43	ISE Selectivity check reagent								
	<b>CALIBRATORS</b>								
44	HbA1c								
45	HDL Calibrator								
46	LDL calibrator								
47	System calibrator								
48	CRP Latex high sensitive calibrator								
	<b>CONSUMABLES</b>								
49	Wash Concentrate								
50	Cleansing Solution								
51	Sample Cups								
	<b>Reagents &amp; kits for Semi Auto Analyzer</b>								
52	Glucose								
53	Total Protein								
54	Albumin								
55	Urea(DAM)								
56	Halogen Lamp for AU480								
57	Na+ Electrode for AU480								

58	K+ Electrode for AU480								
59	Cl- Electrode for AU480								
60	Creatinine								
61	Uric Acid								
62	Total Billirubin								
63	Aspartate Transaminase(AST)								
64	Alanine Transaminase(ALT)								
65	Alkaline Phosphatase(ALP)								
66	Cholesterol								
67	Triglyceride								
68	HDL Cholesterol								
69	Magnesium								
70	Calcium								
71	Phosphorus								
72	Sodium Pottasium								
73	Chloride								
74	Creatinine Kinase(CK)								
75	CKMB								
76	LDH								
77	Amylase								
78	Lipase								
79	GGT								
80	Adenosine Deaminase(ADA) Automated								
81	Iron								

82	TIBC								
83	MicroAlbumin								
84	Cholinesterase								
85	Acid Phosphate								
86	Stools for occult blod								
87	Trop-I (Cards)								
	<b>REAGENTS &amp; KITS FOR ELISA</b>								
88	Vitamin-D								
89	TTG(tissue transglutaminase)								
90	Parathyroid Hormone								
	<b>QUALITY CONTROL SERA</b>								
91	Assayed Chemistry								
92	Immunoassay								
93	Tumor markers
